

DivSea Project

Transational Project Meeting 5 & Multiplier Event

On Monday, 18 June 2018 the 5th Transnational Project meeting of the European Project “DivSea - Diversification of Seafarers Employability” has been organized and hosted by the European Association of Career Guidance in Nicosia. At the meeting, various issues regarding the project have been discussed. DivSea EU funded project ends on 31 August 2018.

In the context of the challenging shipping industry environment, the main objective of this EU funded project is “to improve the employability skills and work opportunities for marine workers and to reduce the existing gap between the educational world and labour market by diversification of career paths and skills recognition.

After the meeting, a Multiplier Event was organized to inform people about the project.

The coordinator of the project is the Constanta Maritime University (CMU - Romania), with partners the Nikola Yonkov Vaptsarov Naval Academy (NVNA - Bulgaria), the STC Group (Netherlands) and the European Association of Career Guidance (EACG – Cyprus).
